WELCOME FROM OUR PRESIDENT  
**CHRISTOPHER ELWELL**

**Welcome!**

**It is so great to see you back at Waterfront Playhouse helping us celebrate our 85th anniversary. We have another amazing theater season planned for you... *one of our biggest ever!***

**I want to thank you for your support...** we could not do this without our fabulous members and business partners.

**For 85 years, Waterfront Playhouse has been** an important part of the Key west Arts community... here's to another 85 years of professional theater and great memories!

**I want to give a special thank you to our Managing Artistic Director and my good friend Tom Thayer...** he will be retiring after this 85th anniversary season. Thanks to Tom for taking the helm at Waterfront 6 years ago and for continuing to produce the highest quality theater Key West has to offer! We are so lucky we had him here with us...

I wish him great waves and amazing sunsets in his new venture with husband John... you will both be greatly missed!

**Please also help me in thanking our very talented Technical Director Michael Boyer** for his continued genius designing our beautiful sets... big thanks to his hard working crew as well... we could not look this good without your efforts.

**To our many volunteers,** I thank you for your time and support throughout the season... you are so important to us! Big thanks to their leader and our House Manager Wendy Allen... you also help make us look ready to go every night!

**Lastly, thank you to our Actors,** local and out of town, for gracing our stage... you are all so talented and we love that you are a part of Waterfront Playhouse!

**Now, sit back and enjoy another memorable night with us!**  
*We are so happy you are here!*

## WELCOME FROM OUR MANAGING ARTISTIC DIRECTOR **TOM THAYER**

**55 years ago I was introduced to the glorious wonderment of Theatre.** It was a community theatre production of *Oliver!* Since that time, not a day has gone by that I haven't been singing, dancing, acting, directing, musical directing, costuming, designing, running a box office, writing checks, balancing books or cleaning bathrooms. *And I have loved it all.*

**I was welcomed here at the Waterfront Playhouse in 2016** as the Business/Box Office Manager. What an exciting year that was, meeting all of our board members and getting to know our patrons. You are all truly wonderful.

**With this, my last season in Key West,** I have chosen productions I truly love. This is the 10th production of *The Rocky Horror Show* I have mounted. All very different and all wonderful!

Who can resist *Little Shop of Horrors* and *Singin' In the Rain*? They will always hold a special place in my heart as I played both Seymour and Don Lockwood almost 20 years ago.

*Murder on the Orient Express* is a new Agatha Christie stage work adapted by Ken Ludwig and Neil Simon's *Lost in Yonkers* has been on my to do list for years. Our new Associate Artistic Director, Patrick New, will have the pleasure of directing that gem!

**I cannot thank Michael Boyer enough** for many seasons of beautiful sets! Many thanks to the numerous crew members who build sets and run shows – they would not happen without you.

**To our talented actors, singers, musicians and dancers, I say thank you. Chris Elwell – thank you especially!** Thank you for your leadership, guidance and most of all for your loyal friendship.

**And most importantly to my partner John McDonald who, for the last 45 years, has made everything possible.**

**Tom Thayer**  
Managing Artistic Director

*Cheers!*

## WELCOME FROM OUR TECHNICAL DIRECTOR **MICHAEL BOYER**

**As we prepare to say goodbye to Tom Thayer and John McDonald, we are grateful for their many fine productions.** Tom has challenged us with the most difficult, but exciting forthcoming season ever, if we survive it.

**I am grateful to Kim Hanson,** Lighting Designer for the first 3 productions of the season and his continued good work over seventeen years with the Waterfront Playhouse. Also many thanks to John Hodge for his expertise as Assistant Technical Director. Likewise, I am very appreciative of our crew, the best ever for their assistance backstage.

**Finally, many thanks to the Waterfront Board of Directors.** The theatre needs additional space. Wouldn't it be great if we were able to rent the city owned building next door, which has been empty for over a year. It would be the perfect acquisition for a rehearsal and black box performance space, a new box office facing the entrance to Mallory Square, and workshops. Can you assist us by encouraging the rental of this space?

*Most of all, a round of applause to you, our appreciative audience!*

## THE HISTORY OF THE KEY WEST PLAYERS

### **The story of the Waterfront Playhouse begins in 1939**

when the original producing organization, the Key West Players, banded together.

Including both locals and Navy personnel, The Players began putting on theatrical productions in whatever space they could find, including the **U.S.S. Gilmore** which was stationed in Key West right after WW II.

### **In 1960, with the help of Key West Player Tennessee Williams,**

The Players eventually found a permanent home at The Waterfront Playhouse, a crumbling ice warehouse that had been built in the 1880's and was situated in historic Mallory Square. The warehouse was totally renovated and transformed into The Waterfront Playhouse (the term by which The Key West Players is most widely known today).

**In the years since,** major improvements have been supported by the generosity of many donors and the Monroe County Tourist Development Council. In the past few years, we have made several major technical and structural upgrades, including new dressing rooms, new HVAC system, new lighting, new sound, new electrical systems, a state-of-the-art assisted listening system, a new roof, a new lobby and a new stage. Further improvements are on the way.

***Thank you for your continued generosity and support!***
